

handle\_update\_int

```
graph LR; A[handle_update_int] --> B[read_from_reg]; B --> C[util_sys_inb];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'handle\_update\_int'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'read\_from\_reg'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'util\_sys\_inb'.
